

PLACES TO EAT

Here are some places I used to enjoy eating with friends/family pre Covid. Please check their websites for current situation

Kirkstile Inn, local pub 01900 85219, excellent pub food. www.kirkstile.com

Aspava, Cockermouth - new Turkish restaurant set in courtyard www.aspavarestaurant.co.uk

Quince and Medlar, Cockermouth, award winning vegetarian restaurant, www.quinceandmedlar.co.uk

Fermentos, Cockermouth, new Italian family run restaurant in Market Place www.fermentoweb.co.uk

Lyzzick Hall, Bassenthwaite – family run hotel with lovely terrace with views. Good restaurant and excellent cellar www.lyzzickhall.co.uk

Lakes Distillery Bistro, Setmurthy www.lakesdistillery.com

Many guests enjoy going to **The Pheasant Inn, Bassenthwaite**, traditional setting, strong on local meats (I don't go as I am vegetarian and they don't cater very well for veggies!) www.the-pheasant.co.uk

Cottage in the Wood, Whinlatter – now has a Michelin star, interesting food, but portions small and expensive. www.thecottageinthewood.co.uk
